

# Tuesday, April 17

## Mark your calendar

for a workshop for early childhood, mental health, social services and medical professionals working with young children and families to increase their understanding and collaborative efforts across disciplines.

### Keynote by Dr. Terrie Rose

This nationally recognized child psychologist will provide insight on the emerging field of early childhood mental health and its importance.

### Emerging Best Practices

A panel of professionals will discuss models of integrated services in Anoka County. Hear what's working.

### Breakout Sessions

Leaders in the field will talk about early childhood mental health best practices, diversity issues, and medical interventions for children.

**REGISTRATION MATERIALS WILL  
BE AVAILABLE IN FEBRUARY.**

**April 17, 2012  
Noon to 4:30 p.m.  
Schwan's Center  
1700 105th Avenue N.  
Blaine, MN**

*Thanks to the support of our sponsors, the cost to attend is only \$25, and includes light refreshments and a resource fair. Certificates of attendance will be provided.*

## PASS THE WORD

### For your Families, Neighbors, Friends

*A second event will be held for the community that evening, 6:30 p.m., Schwan's Center.*

*Highlights will include a presentation by Dr. Rose, a parent panel, and a resource fair.*

*The community event is free!*
