Child & Teen Checkups

Health Care for Kids

C&TC screenings are a benefit to children under the age of 21 who are enrolled in Medical Assistance or MinnesotaCare:

- * These checkups are important to your child's health.
- * They can help find and treat health problems before any lasting harm is done.
- * These checkups will help your child grow to his or her full healthy potential.

Your child should receive these important checkups at the following ages:

2 months
4 months
6 months
9 months
12 months
15 months
18 months
24 months
3 years
4 years
5 years
6 years
8 years
10 years
12 years
14 years
16 years
18 years
20 years
