Action requested Add an additional 3.0 FTE Deputy positions effective July 1, 2022 - not budgeted in the 2022 budget

Background <p>In 2022, three cities have increased its level of law enforcement coverage provided by the Sheriff's Office. RESOLUTION #2022-M1

**A RESOLUTION APPROVING THE TENTATIVE AGREEMENT BETWEEN
THE COUNTY OF ANOKA AND
LAW ENFORCEMENT LABOR SERVICES, INC.
REPRESENTING THE 911 DISPATCH UNIT
FOR THE CALENDAR YEARS 2022-2024
(CONTRACT #C0009059)**

WHEREAS, representatives of Anoka County and representatives of Law Enforcement Labor Services, Inc., representing the 911 Dispatch Unit have negotiated a three-year labor agreement for the term January 1, 2022, through December 31, 2024; and,

WHEREAS, the attached document (Exhibit A) summarizes the substantive agreement between the parties:

NOW, THEREFORE, BE IT RESOLVED that Anoka County, by and through its Board of Commissioners, does hereby approve the tentative agreement and that the chief negotiator for the Anoka County Board of Commissioners is authorized and directed to prepare contract documents incorporating this tentative agreement; and further, that upon receipt of the three original contracts executed by the Union, the Anoka County Board chair, county administrator, director of Human Resources, labor negotiator, and other appropriate individuals be authorized and directed to execute the original contracts.

To: Anoka County Board of Commissioners
From: Scott Lepak, Chief Labor Negotiator
Date: January 3, 2022
Re: 911 Dispatchers Tentative Agreement for a 2022-2024 Agreement

Representatives of the County and Law Enforcement Labor Services, Inc. (also referred to in this Memorandum as LELS or the Union) reached a tentative agreement covering the 911 Dispatchers bargaining unit at the County. These negotiations were somewhat unusual in that they were undertaken to replace the last year of the existing collective bargaining agreement (that runs from January 1, 2020 through December 31, 2022) for a new collective bargaining agreement that will be in effect for January 1, 2022 through December 31, 2024.

There are currently 39 individuals in the bargaining unit. The Union notified the County on January 3, 2022 that it had ratified the tentative agreement.

The major substantive changes to the prior contract are as follows:

1. Duration/Reopener. Three years – January 1, 2022 through December 31, 2024.

The County requested to reopen the existing 2020-2022 collective bargaining agreement to address pay issues negatively affecting recruitment and retention. The parties agreed to enter into a Memorandum of Agreement that discontinues operation of the January 1, 2020 through December 31, 2022 agreement effective January 1, 2022. The parties further agreed to enter into a collective bargaining agreement for the term January 1, 2022 through December 31, 2024 incorporating the provisions as noted below.

2. Wages.

In order to address continuing recruitment and retention issues in the bargaining unit, the tentative agreement replaces references to Dispatcher I and Dispatcher II and creates a single seven step to top pay plan for bargaining unit employees.

Implementation and operation of this pay plan is as follows:

2022

Individual employees will be placed on a seven step to top salary system at the step determined by the County to be most consistent with their hire date into the bargaining unit and certain dispatch experience when hired. This placement will be effective January 1, 2022 - which is the beginning of the first full pay period in January of 2022.

Movement in the step system, if any, following initial placement will occur upon a determination of satisfactory work performance on the beginning of the first pay period following the employee's designated step date in the amounts that will be shown in an Appendix to the contract.

2023

The existing pay plan will increase by three percent (3%) effective the first full pay period in January 2023. Employees below the top step will be eligible for a step increase upon a determination of satisfactory work performance on the beginning of the first pay period following the employee's step date.

2024

The existing pay plan will increase by three percent (3%) effective the first full pay period in January 2024. Employees below the top step will be eligible for a step increase upon a determination of satisfactory work performance on the beginning of the first pay period following the employee's step date.

One very experienced employee above the top of the proposed step system will be able to remain at her existing salary but increased by three percent (3%) in each year of the agreement.

The parties also agree that the Employer may unilaterally increase the salary range applicable to the bargaining unit classification during the term of the 2022-24 collective bargaining agreement in the event that the Employer determines that such increase is warranted based on the employer's review of the applicable external market for the classification

3. Article 7. Hours of Work – Premium Pay. The parties agreed to amend Section 2 to provide that in computing overtime, compensatory time off taken will not count toward potential overtime.
4. Article 8 – Holidays. The parties agreed to revise Section 3 to remove language providing that employees who call in sick on their last scheduled day before the holiday, the holiday or the first scheduled day following the holiday would not be paid the holiday pay. This was determined to be better addressed as a potential abuse of leave management issue rather than a pay issue.

5. Memorandum of Agreement. The parties agreed to continue the existing memorandum on seniority calculation for returning supervisors for the 2022-2024 collective bargaining agreement.

6. The changes noted above also resulted in a number of technical or housekeeping changes:
 - Article 2, Section 2 (Recognition). The existing classifications (Dispatcher I and II and the previously removed Lead Dispatcher) were removed and replaced by reference to the single Dispatcher classification.
 - Article 15, Section 3 (Promotions for Dispatcher I to Dispatcher II) has been eliminated as obsolete.
 - Article 15, Section 3 (reference to Dispatcher II has been replace with reference to Dispatcher).
 - Article 16 – Probation Periods. Revise Section 2 to reflect one classification and eliminate Section 3 (movement from Dispatcher I to Dispatcher II).
 - Article 15, Section 4 (Performance Based Range Movement (Merit Pay)/Minimum Range Movement) was removed as obsolete.
