FOR IMMEDIATE RELEASE

November 21, 2018

On November 21, 2018 at 0928 hours the Spring Lake Park Police Department was dispatched to 8124 Hwy 65 NE on a report of a delivery vehicle parked in the lot. It was believed the driver was in the cargo area of the truck. Caller then advised that the driver was possibly deceased. Officers from the Spring Lake Park and Fridley Police Departments arrived at the scene along with the Spring Lake Park/Blaine/Mounds View Fire Department.

Initial investigation determined that the vehicle was delivering liquid CO2 and that a mechanical failure occurred. The driver attempted to remedy the failure and was overcome by CO2. There is no danger to the general public. The driver/decedent has not yet been identified.

Investigation will continue by the Spring Lake Park Police Department, the Anoka County Sheriff's Office and the Midwest Medical Examiner's Office.
