FOR IMMEDIATE RELEASE

On 06/20/19, at 1627 hours the body of a deceased person, who had been struck by a train, was found by the Coon Rapids Police Department at the Northstar Metro Transit Station, located at 3050 Northdale Boulevard NW, in the city of Coon Rapids.

Coon Rapids Police requested that the Fridley Police Department attempt to locate a crash site in the city of Fridley. Fridley Police were able to locate the possible crash site on the railroad tracks south of Osborne Rd. NE. Initial information indicates that a person on a bicycle was hit by a northbound Northstar Commuter Train in that area.

The incident is under investigation by the Coon Rapids Police Department, Fridley Police Department, the Midwest Medical Examiners Office, and the Anoka County Sheriff's Office.

At this time, there is no further information to be released.
