FOR IMMEDIATE RELEASE

Anoka County Sheriff's Office Participating in Movember 2019

The Anoka County Sheriff's Office is supporting the annual event, Movember. This initiative raises awareness for men's health issues and the Sheriff's Office staff are specifically donating money to the American Cancer Society in 2019. This is the second year the Sheriff's Office has participated and raised money for this great cause. We have 68 members of the Office participating. For a \$50 donation to the American Cancer Society, men can wear facial hair to include goatees and beards. Per policy, only mustaches are authorized under normal circumstances. Our female staff are being allowed to wear jeans for the month with a \$50 donation as well. To date we have donated over \$3,400 to the American Cancer Society. As you see our staff looking a little different, we hope to raise awareness for cancer and other men's health issues.
