FOR IMMEDIATE RELEASE

Anoka County Sheriff's Office Community Support K9 Program

The Anoka County Sheriff's Office is pleased to announce the establishment of a Community Support K9 program. Holly Schultz and her K9 Sugar are joining the Sheriff's Office as our Community Support K9 team. Holly and Sugar will be available to those who are experiencing a traumatic event, or where a K9 would serve to calm or relieve anxiety of those in need. The Community Support K9 team will give us another way to connect with our communities. They will be participating in many of our community events and will respond to incidents when requested. Sugar is a certified Therapy Dog with Therapy Dogs International. She makes frequent visits to elementary schools, memory care centers and assisted/independent living facilities. They are passionate about serving others. We look forward to serving the community with this unique partnership.
