Face Covering Response

As of July 25, 2020, per the Governor's Executive Order 20-81, people in Minnesota are required to wear a face covering in all public indoor spaces and businesses, unless alone. The ACSO encourages people to comply with this order, as well as following social distancing guidelines. Business owners have the right to refuse service to those who are not wearing masks. We will not be arresting, citing, etc. anyone for not wearing a mask in the areas of Anoka County that we patrol. However, we will respond accordingly to calls regarding trespassing and other disturbances.

Please note that other police departments within the county should be contacted regarding their decisions on face covering requirement.
