Anoka Deceased Male in Mississippi River

On May 14, 2022, at approximately 6:31 P.M., the Anoka Police Department, Anoka-Champlin Fire Department, and Anoka County Sheriff's Office responded to a report from a caller in the vicinity of the 400 block of Rice Street in the City of Anoka of a possibly deceased individual tangled in natural debris in the Mississippi River. Emergency responders arrived on scene and the individual was declared deceased. The decedent is an adult male and his name will be released pending identification and next of kin notification.

This is an active investigation and there is limited information available. The incident is under investigation by the Anoka Police Department, Midwest Medical Examiner's Office, and Anoka County Sheriff's Office. No additional information will be released at this time.
