Update to incident in Ramsey Park

Additional information has been received in relation to the alleged assault of a teen girl at Emerald Pond Park in Ramsey reported to have taken place on 8-14-2016.

We have had several people who live close to the park or frequent it often come forward with information about the alleged suspect. While the complainant thought he may have been in his mid-20s, other people who have seen the man with the metal detector in the park describe in as in his mid to late 30's to early 40's.

The people who have seen this male with the metal detector state he drives a dirty, white Chevy Suburban with two horizontal doors in the rear hatch as opposed to a lift gate. If anyone has any info please call (763) 427-1212.
