*Federal and State law requires that an applicant's social security number, if any, be collected on the Marriage License Application. Title 42, US Code Sec 666 (a)(13)(A), MN Statutes, Section 144.223, and MN Statutes, Section 517.08, Subd. 1a(9).						
Minnesota Statute 259.13, subdivision 1, requires a person who committed a felony crime under any law, on or after August 1, 2000, to serve a notice of application for a name change on the prosecuting authority for the crime when seeking a name change as a part of the marriage license. If the prosecuting authority is in another state, the Attorney General must also be served. Minnesota Statute 259.115 provides that if a person who committed a felony crime under any law, on or after August 1, 2000, uses a different surname after marriage than what was used before marriage, without complying with section 259.13, is guilty of a gross misdemeanor. Minnesota Statute 517.08, subdivision 1b, provides that if a person committed a felony crime under any law, on or after August 1, 2000, is applying for a marriage license, the court administrator shall either grant the marriage license without the requested name change or delay its granting until the person: (1) certifies that 30 days have passed since the notice of name change upon the prosecuting authority, and if applicable, the Attorney General, and no objections have been made; or (2) provides a certified copy of a court granting the name change. The parties seeking the marriage license have the choice of whether to have the license granted without the name change or to delay its granting pending further action on the name change request.						
I hereby solemnly swear that I have read and understood the statutes written above, and swear that I either have committed no felony crimes under any law, on or after August 1, 2000, or if I have committed a felony crime, that I have fully complied with the notice of name change as required by Minnesota statutes. AND I hereby solemnly swear, under penalty of perjury, that all of the above statements of fact are true in every respect; that we are no nearer of kin than the first cousins once removed; that neither is committed to the guardianship or conservatorship of the Commissioner of Public Welfare without written consent of the Commissioner of Public Welfare; that there is no legal impediment to this marriage; that neither of us has a spouse living.
