## What are Child and Teen Checkups? (C&TCs)

C&TCs are complete well-child checks. They are free for children birth through age 20 with Medical Assistance and can be done by your regular doctor.

## My kids aren't sick, why do they need to visit the doctor?

- Find and treat health problems early
- Encourage good health habits
- Stay healthy and be ready to learn
- Grow up to be healthy adults

## How can the doctor help to keep my child healthy?

- Tracking physical, social, and mental growth and development
- Testing vision and hearing
- Giving you advice about nutrition, behavior, and safety
- Providing vaccines and lab tests

A complete Child and Teen Checkup includes all of this and more!

## When are checkups due?

0-1 month	15 months
2 months	18 months
4 months	24 months
6 months	30 months
9 months	Yearly ages
12 months	3-20

Call your regular clinic and schedule your child's next Child and Teen Checkup appointment today!

## What about dental care?

- Dental coverage is a part of your Medical Assistance
- Dental checkups are due every 6 months
- Start regular dental checkups when your child gets his or her first tooth or by 12 months of age

## What if I need help?

### If you need help...

- Finding clinics
- Making appointments
- Scheduling Interpreters
- Finding transportation to health appointments
