

Laboratory Case #:

**Section E: Known DNA and Latent Print Samples**

Evidentiary known DNA & Latent Print samples should be submitted for all principals whose DNA or fingerprints could reasonably be on an item for elimination purposes and from listed suspects, if possible. DNA profiles in CODIS CANNOT be used as known DNA samples for direct comparisons to evidence.

If known DNA or Latent Print samples have not been submitted, will they be submitted at a later date? Yes No

Has a known DNA or Latent Print sample been submitted previously by your agency for a different case? Yes No

If Yes, do we have permission to use the known sample if needed in this case? DNA: Yes No Latent Prints: Yes No

If Yes, list the individual(s):

For sexual assault cases, did the victim have a consensual sex partner(s) within 120 hours of the alleged assault? Yes No

If Yes, please provide the name and DOB of this individual in the Principals List above and submit a known DNA sample.

**Section F: Additional Case Information**

Respond to the following, as applicable

Were any of the items located in an area accessible to the public (i.e. sidewalk, front yard, parking lot)? Yes No

If Yes, please list the items using your agency's item #:

If blood was present at the scene, how many people were bleeding and how does each person relate to the crime?

Have any of the individuals listed in the Principals List received a blood transfusion in the last year?

If Yes, please list the principal(s):

**Section G: Approval Signatures**

The completed form serves as a proposed agreement for services between the submitting agency and the laboratory. The laboratory reserves the right to select the most appropriate methods for the examination and testing of the items submitted. Additional information regarding the laboratory's evidence submission, examination, and testing procedures is available upon request.
