Families living in Anoka County may receive a Public Health Nurse home visit.

Public Health Nurses check the health status of families, weigh & measure infants and children, work with other community resources and answer any questions you may have about:

- Your Pregnancy
- Labor & delivery
- Breastfeeding
- How to calm a fussy baby
- When to start solid foods

- How to encourage the growth and development of your child
- Family planning/child spacing
- How to make your home safer for your family
- Community resources available to support your family

Please contact **Public Health Nursing Intake at (763) 324-4240** with any questions, to make a referral or complete this form and return it to Anoka County by Fax (763) 324-1033.
