

# NOW HIRING:

**YEAR-ROUND WORK+FULL BENEFITS+PAID TRAINING!!**

## **Underground Utility Locators: \$19/hr**

### **Your Responsibilities as a Locator:**

- You will be responsible for the accurate, safe and efficient locating of underground utilities including fiber, telecommunications, electric power, cable TV, gas, water and sewer systems
- Taking time to thoroughly search for underground utilities in an area, properly marking the location, completing the necessary paperwork, photographing and uploading each locate.

You'll be working outdoors in all types of weather conditions and use a company provided laptop to document and close all tickets. We have a 48-hour turnaround time on all locates, which means we generally work the day after holidays and some weekends, as needed.

These are daytime, full-time positions and **overtime and on call shifts will be required**. Paid instructor led training will be provided. **No prior locating experience is necessary.**

### **What We Need from You (Our Requirements)**

- **Have a valid driver's license and a safe driving record**
- Be able and willing to work outdoors in various weather conditions. Previous outdoor experience is a plus!
- Be able to work in a confined space; walk, bend and lift up to 75 pounds
- Be computer proficient
- Available to work overtime, on call and weekends (as needed)
- Able to pass a drug screen and background check
