## WE ARE HIRING!

### Current Openings:

#### Machine Operator – 1<sup>st</sup> Shift (M-F 5:00 am – 1:30 pm) or 2<sup>nd</sup> Shift (M-Th 1:30 pm – 12:00 am)

- This position involves operating machinery to create thermoformed plastic products. Additionally, the position calls for an eye for detail as parts must be inspected for conformance with quality standards. All job specific training will be provided. This is a physical, fast-paced job with 99% of the day being spent standing or moving. Look for the complete job description and listing on Indeed or send your resume to the e-mail below.
- Wage range is \$13.50 – \$17.00/hour – starting pay is based on skills, ability, and experience.
- Position is full-time with room for advancement.

#### Quality Control Technician – 1<sup>st</sup> Shift

- This position involves performing quality checks on finished products and recording results, identifying quality issues and proposing corrective actions, participating in audits, as well as other duties as assigned. This position requires high attention to detail and the ability to take initiative, make decisions and lead by example. Look for the complete job description and listing on Indeed or send your resume to the e-mail below.
- Wage range is \$15.00 – \$20.00/hour – starting pay is based on skills, ability, and experience.
- Position is full-time with room for advancement.

**Benefits Include: PTO after 6 months, Paid Holidays, Medical & Dental, 401K plan after 1 year**
