## 2020 Anoka County Board of Commissioners

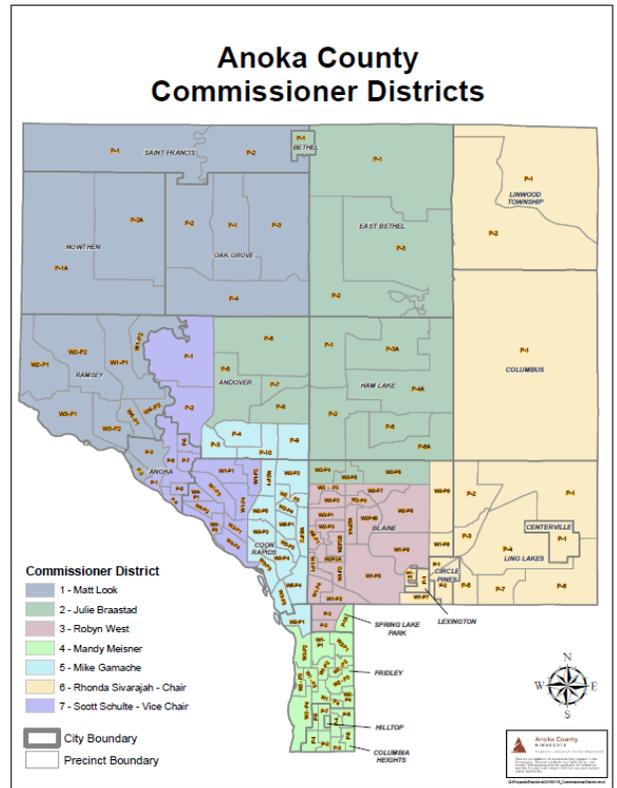

A seven-member board of commissioners governs Anoka County. Each serves a staggered four-year term.

- District 1 – Matt Look
- District 2 – Julie Braastad
- District 3 – Robyn West
- District 4 – Mandy Meisner\*
- District 5 – Mike Gamache\*
- District 6 – Jeff Reinert\*
- District 7 – Scott Schulte, Chair

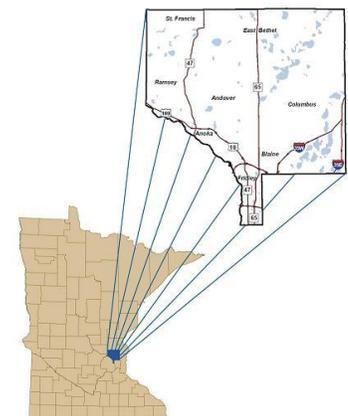

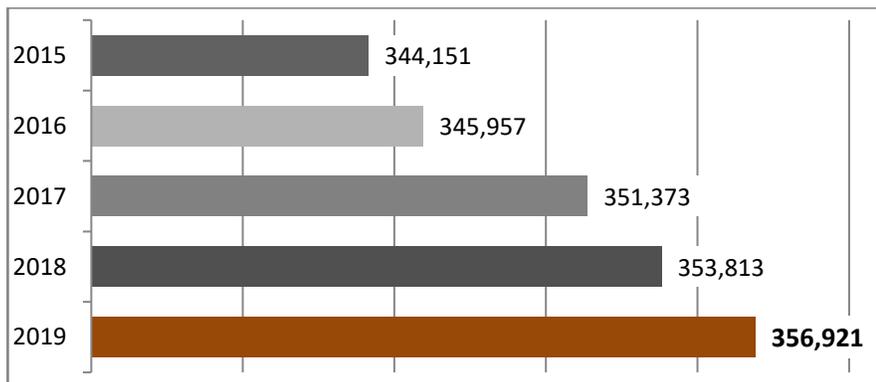

*\*Community Corrections Advisory Board*

The County Board’s role relative to Community Corrections is:

1. To determine, establish, continue, modify and terminate Anoka County correctional services and programs.
2. Establish the budget for the Community Corrections Department.
3. Approve and authorize the implementation of the annual comprehensive plans.
4. Ensure compliance with the provision of the Community Corrections Act.
5. Establish all matters of policy in relation to correctional services under its authority.

### Anoka County Population Growth

440 square miles  
 20 cities and 1 township  
 4<sup>th</sup> most populous county  
 in Minnesota

## 2019 Community Corrections Advisory Board

The Anoka County Community Corrections Advisory Board involves citizens in the correctional planning for Anoka County through a citizen advisory board. The role of the advisory board is to:

1. Identify the correctional needs and issues of Anoka County; establish priorities among them; and develop task forces to research and study the needs and issues.
2. Recommend programs and facilities to meet the correctional needs and issues in Anoka County.
3. Recommend a budget to meet correctional objectives.
4. Evaluate correctional programs on an ongoing basis.
5. Present the annual comprehensive plan to the Anoka County Board for approval and implementation by the Community Corrections Department.
6. Promote the comprehensive plan to the community.

<p><b>Commissioner Representatives</b>                  District #1 – Dr. Ed Evans                  District #2 – Robert DeRoche, Jr.                  District #3 – Open                  District #4 – Michael McGee                  District #5 – Morgan Whiterabbit                  District #6 – Open                  District #7 – Don Kjonaas, <i>Chair</i></p>	<p><b>Anoka County Board of Commissioners</b>                  Mike Gamache                  Mandy Meisner                  Jeff Reinert (alternate)</p>	<p><b>10th Judicial Judges</b>                  John P. ## 2019 East Central Regional Juvenile Center Advisory Committee

As outlined in the East Central Regional Juvenile Center Joint Powers Agreement, the board of commissioners of each member county shall appoint two persons to participate on an advisory committee and act as liaisons with the other member counties. The advisory committee serves in an advisory capacity and not a joint powers board under Minn. Stat. § 471.59. Advisory committee members primarily consist of one county commissioner and one county director from each member county.

The duties of the advisory committee are to:

1. Review and comment on Anoka County's proposed annual facility operating budget and per diem charges prior to adoption by the Anoka County Board of Commissioners.
2. Assist in and review the ongoing coordination of the use of the facility including bed usage and bed allocation.
3. Assist in and review the development of the programs offered at the facility; and
4. Assist in other matters relating to the facility as requested by Anoka County.

# Adult Court Pre-Sentence Investigation Unit

The Adult Court Pre-Sentence Investigation (PSI) unit has 14 probation officers.

- 6.0 FTE felony probation officers complete criminal record checks, pre-sentence investigations, and appear in court on felony revocation hearings, along with .25 temporary staff.
- 2.5 FTE probation officers complete Rule 25 chemical dependency assessments.
- 6.0 FTE misdemeanor probation officers complete alcohol problem assessments, short-form background investigations for domestic abuse and other misdemeanor offenses, felony diversion assessments. Misdemeanor probation officers also do record checks, appear in court for probation revocation hearings, monitor compliance with specific conditions, and provide backup to the one probation officer who does bail evaluations.

Pre-Sentence Investigations provide background information and sentencing recommendations for many adult cases.

# Adult Offender Supervision

Anoka County Corrections manages adult offenders court-ordered to probation supervision and on supervised release from prison. Adult supervision services and the Workhouse facility are located at the Rum River Human Service Center campus in Anoka.

Adult offenders are supervised according to their risk to reoffend or unique case circumstances. Moderate and high-risk offenders generally receive more intensive services from an individual probation officer while lower risk offenders are managed by a team of officers in a group reporting format at the Probation Service Center. Probation officers hold offenders accountable to supervision conditions utilizing research-based strategies to manage risk and promote change.

All felony level offenders are assessed for risk and individual programming needs using the Level of Service-Case Management Inventory (LS/CMI). This tool assists probation officers with case management planning by evaluating risk factors including criminal history, education, employment, peer relationships, chemical abuse, and attitudes.

**MN Department of Corrections Supervised Release Case Referrals Received by Anoka County**

## Traditional and Enhanced Field Supervision

Higher risk offenders are assigned to an individual probation officer in the Traditional or Enhanced Unit based on community risk and individual needs. Probation officers’ complete office and community contacts, develop offender supervision case plans, monitor conditions and respond to non-compliance. The Traditional Unit is comprised of 11 probation officers. The Enhanced Unit includes three intensive supervision officers, two pre-trial specialists, two DUI offender specialist and three Intensive Supervised Release (ISR) agents. ISR agents manage the highest risk offenders released from prison including violent and predatory offenders. One probation officer manages the IDAPP domestic assault pre-trial program.

## Sex Offender, Domestic Abuse, & Mental Health

Eight specialized probation officers provide intensive supervision to the majority of sexual and repeat domestic assault offenders in Anoka County.

## Probation Service Center (PSC)

Medium and low risk offenders typically require fewer supervision services. Three 2-agent teams manage caseloads of medium risk offenders primarily through office contacts and monitoring of court-ordered conditions. The lowest risk offenders and those who have completed all conditions are assigned to the large PSC Case Management caseload with condition monitoring and little face-to-face contact.

## Probation Service Center (PSC)

The Probation Service Center (PSC) manages the largest caseload of adult offenders supervised by Anoka County Corrections. The unit is staffed by a supervisor and 10 probation officers.

The PSC caseload is comprised primarily of medium and lower risk offenders determined by risk assessment or supervision adjustment. Some cases are assigned directly to PSC from sentencing based on assessment or offense and supervision condition criteria. Other cases transition to this lower supervision level from traditional or enhanced field supervision based on risk reduction and positive adjustment.

PSC supervision emphasizes condition monitoring and compliance with approximately half of the caseload required to report in-person, the remainder is supervised on low contact status.

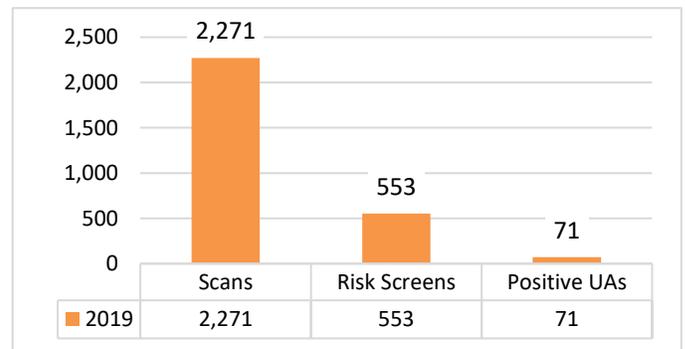

Probation officers use a team approach and technology to manage this large challenging caseload. Agents share the traditional supervision responsibilities of an individual probation officer including reviewing cases, meeting with clients, preparing reports and covering court hearings.

The CSTS case management database assists officers with organization, tracking case status changes, and documentation.

The PSC “reporting center” supervision model was developed by Anoka County Corrections in the late 1980’s and replicated across the state. The model has enabled agencies to more effectively manage large volume caseloads of appropriately identified offenders with limited resources. In 2018, Anoka County Corrections completed a redesign of this unit improving case management for certain offenders and increasing efficiencies with technology. The new model enhances supervision for medium risk and more problematic offenders.

The PSC unit is also responsible for the transfer of adult offenders sentenced in Anoka County but live in another jurisdiction. Two transfer liaison agents manage this task. Three PSC staff manage the department’s UA collection lab.

# Sex Offender & Domestic Abuse

The sex offender, domestic abuse, and mental health units consist of 9 full-time probation officers and 1 full-time social worker. Five probation officers currently manage the supervision of 282 sex offenders. Three probation officers supervise approximately 194 domestic abuse offenders, and one probation officer and one social worker work as a team supervising 30 offenders.

**Sex Offender Supervision:** Anoka County Corrections developed a specialized adult sex offender unit in October 2000. The unit is primarily funded through an enhanced sex supervision grant from the Minnesota Department of Corrections. All sex offender probation officers receive ongoing specialized training on community supervision and treatment of sexual offenders. Probation officers work collaboratively with law enforcement, social workers, treatment providers, polygraph examiners and mental health professionals in the management of these offenders.

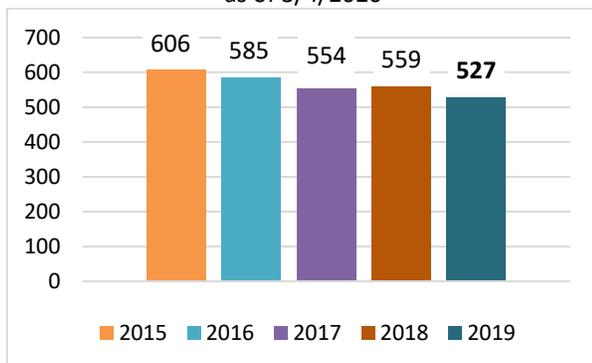

The unit supervises both sex offenders on probation and supervised release from prison. All offenders are closely monitored in the community and often seen at their homes or places of employment. Most are required to register their addresses, employment and all vehicles they operate with the Bureau of Criminal Apprehension (BCA). All offenders are all subject to specialized supervision rules, polygraph testing, sex offender treatment programming, and group supervision meetings.

**Domestic Abuse Supervision:** Offenders convicted of repeat domestic assaults or assessed as high risk are assigned to specialized probation officers. Domestic abuse probation officers are highly trained and work closely with victims, community treatment providers, social services, and law enforcement. The majority of offenders must complete intensive treatment and are restricted from contact with victims. All are subject to random home and employment visits and drug testing.

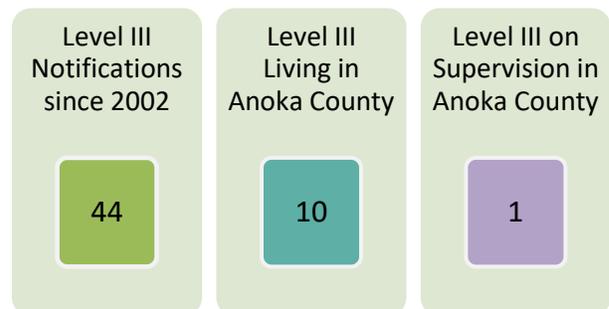

**Mental Health Supervision:** Anoka County has been awarded a 2-year grant by the legislature to develop and implement a specialized caseload working with high risk adult offenders with mental illness. This is a shared caseload consisting of one probation officer and one adult mental health social worker. The target population of this caseload is high risk adult probation, parole, supervised release, or pretrial offenders assessed with significant or unmanaged mental illness that pose a risk to themselves or others and/or are struggling under traditional community supervision.

Goals of this caseload include improving mental health services, expediting assessments and diagnosis, offering community-based mental health treatment and programming alternatives to incarceration and reducing duplication of services between Corrections and Social Services.

**Adult & Juvenile Registered Sex Offenders Residing in Anoka County\***  
as of 3/4/2020

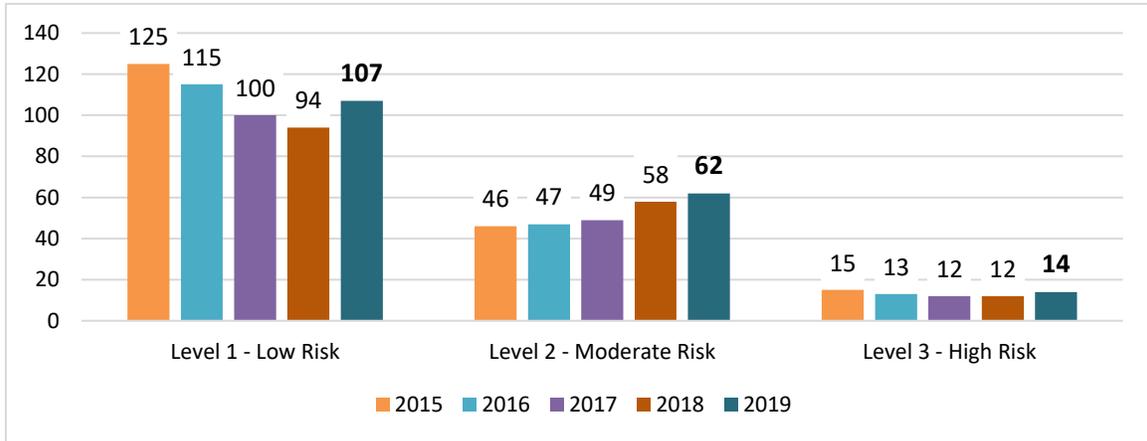

**Anoka County Level III Notifications**  
Snapshot 4/30/2020

## Community Work Service / Restitution

Three case managers monitor adult and juvenile offender condition compliance in holding the offender accountable to the court. Case managers meet with adult and juvenile offenders after sentencing and interview them to determine their appropriateness for being placed at a non-profit organization to do their community service. The unit recruits and coordinates with approximately 200 non-profit work sites. Community Work Service provides a restorative justice option and fine alternative for low level and indigent offenders.

## Family Court Services / Domestic Relations Unit

Anoka County Corrections Department Family Court Services has 1.0 FTE Licensed Psychologist who coordinates and performs custody evaluations. All cases must be court ordered, and the psychologist screens referrals for eligibility, serves as a resource for judges and attorneys, and makes alcohol and drug testing referrals for Family Court. Additionally, the psychologist serves on the Early Neutral Evaluation (ENE) Steering Committee and the ENE Roster Sub-Committee.

---

### Eligibility

To be eligible for services, parents must have completed private Alternative Dispute Resolution (ADR), either ENE or mediation, unless excused by the court. Family Court Services does not provide ADR. Eligibility is also based on the combined gross income of both parents not to exceed \$70,000. Pre-decree, post-decree, and paternity cases can be referred.

---

### Custody Evaluations

Approximately 15-22 referrals for custody evaluations are received per year. Some cases are determined to be ineligible due to financial reasons or parents are uncooperative with submitting their financial information. Eligible parents are assessed a fee for a custody evaluation ranging from \$750-\$3,000, unless exempt by statutory criteria.

A pre-screening is subsequently completed to further assess the appropriateness of a custody evaluation and to determine placement on the waiting list. The waiting list for a custody evaluation is typically 4-6 months. When a custody evaluation is conducted, permanent legal and physical custody, as well as a parenting schedule, are all assessed with recommendations made to the court in a written report.

# Anoka County Workhouse

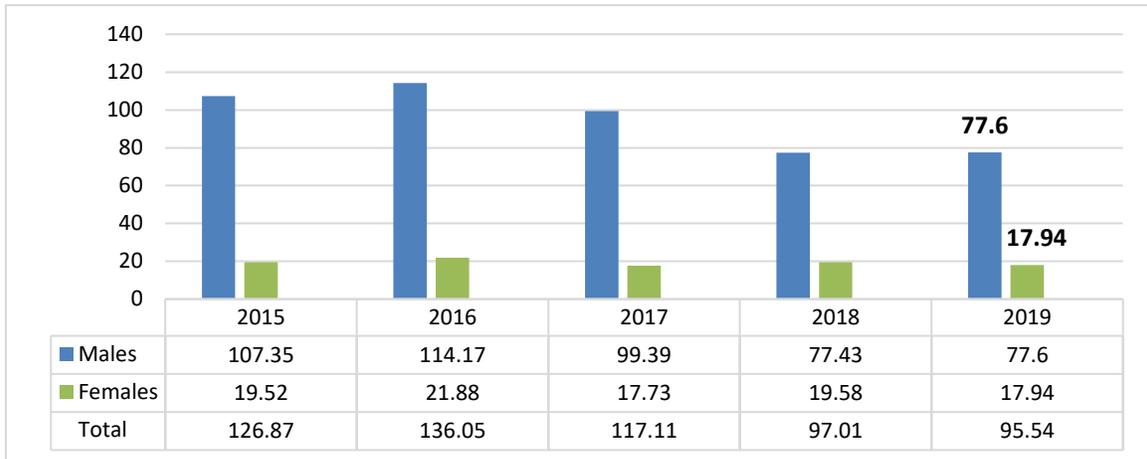

## 2019 Highlights and Accomplishments

## Prison Rape Elimination Act (PREA)

### Reported Incidents at the Anoka County Workhouse

The Prison Rape Elimination Act (PREA) is a federal law and series of mandated standards addressing prevention, detection, and reduction of sexual abuse or misconduct in correctional institutions. Anoka County Corrections maintains a zero-tolerance policy for any form of sexual behavior, sexual harassment, or sexual misconduct involving inmate-on-inmate or staff-on-inmate. Staff includes all employees, volunteers, official visitors, and contracted staff. All reported incidents of sexual behavior are thoroughly investigated.

In 2019, the following incidents were reported at the Anoka County Workhouse:

Seven (7) Reported Incidents	Outcome
2 inmate-on-inmate sexual harassment allegation	2 Substantiated
1 inmate-on-inmate sexual harassment allegation	1 Unfounded
1 inmate-on-inmate sexual harassment allegation	1 Unsubstantiated
1 inmate-on-inmate abusive sexual contact allegation	1 Unsubstantiated
1 inmate-on-inmate non-consensual sexual act allegation	1 Unfounded
1 Staff sexual misconduct	1 Unfounded

## Juvenile Probation Supervision

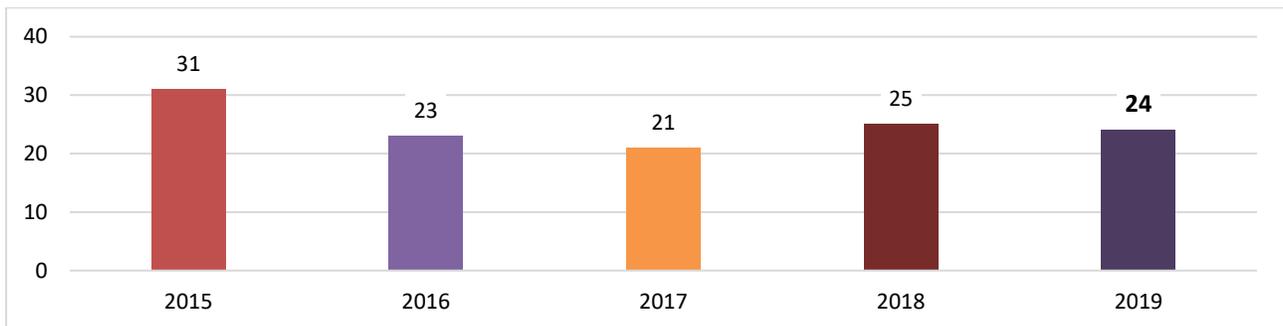

The Juvenile Field Supervision Unit supervises Anoka County residents who are adjudicated delinquent and placed on court-ordered supervision. Offenders who are deemed to be high-risk, as determined by the YLS/CMI assessment tool, are assigned to the Juvenile Intensive Unit; while medium- to low-offenders are assigned to generalist supervision or ProjPC for condition monitoring.

Within the Juvenile Intensive Unit, there are four specialized caseloads:

1. Extended Juvenile Jurisdiction (EJJ), cases supervised by one (1) probation officer who is presently supervising 17 cases of which 13 are EJJ designated.
  - The EJJ caseload had one (1) client released successfully from probation during 2019.
  - There was one (1) client that had their EJJ status revoked in 2019.
2. Sex specific caseload, which has two (2) staff assigned supervising approximately 23 total cases.
3. Intensive supervision caseload has four (4) staff assigned supervising approximately 21 cases each.
4. The medium and low supervision cases are monitored by 3.8 regular staff.

# Anoka County Secure (ACS) Juvenile

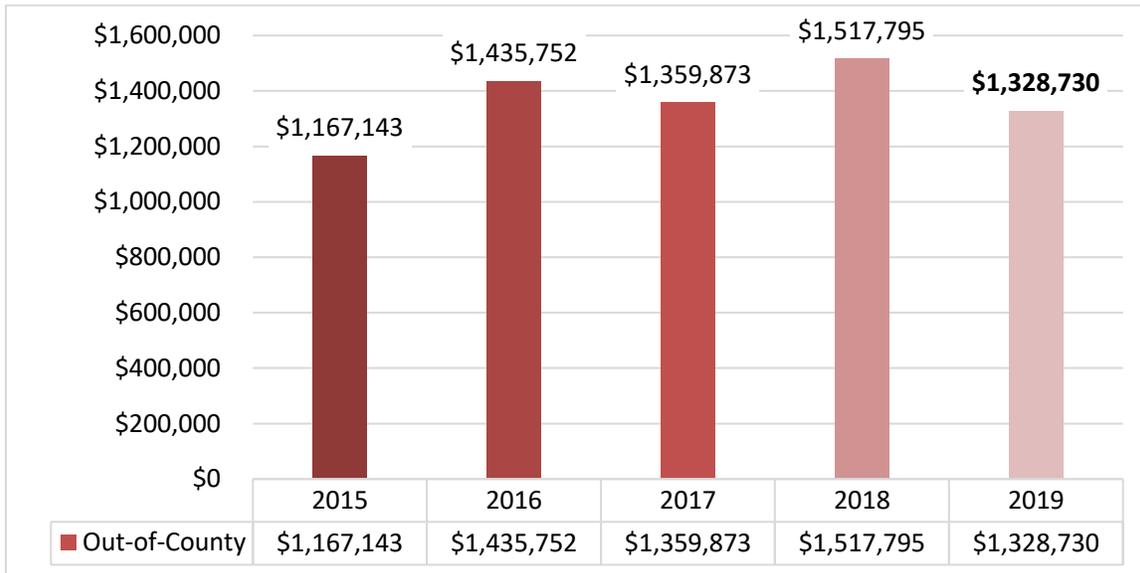

## 2019 Highlights and Accomplishments

- ACS staffing changes in 2019:
  - Sex Specific Program Coordinator
  - 2 new Probation Officers
  - 5 new Probation Officer Aides
  - Total = 7 new FTE's
- Reduced ACS staffing complement from three grade levels to two grade levels through attrition and restructuring the Juvenile Detention Officers to Probation Officer Aides. This provides staff flexibility in duties and coverage assignments.
- Trained additional probation officers in Decision Points (COG) and Crises Intervention Training (CIT). Decision Points has been implemented by ACS staff with the Long-Term Group.
- ACS continued partnership with Operation No Limits in providing additional programming to ACS youth. Of significance this year was the addition/construction of a greenhouse. This project started in 2019 and is targeted to be completed in 2020.
- Successfully completed MN DOC licensing inspection – self report.
- Continued to reduce use/application/frequency of resident disciplinary room time from previous year.
- Upon successful completion of the Long-Term Sex Specific Program recidivism rates continue to be under 7% percent after being released in a five-year lookback.
- Restructured all components of the weekend program.

In the past few years, many significant legislative mandates changed the role and delivery model of afterhours emergency social services in Minnesota. The two primary areas include Adult Protection and Child Protection. The Adult Protection services are triaged through a point of contact number for all cases. Child Protection cases are handled through a contracted provider for Anoka County in order to meet the legislative mandates effective January 1, 2017.

## 2019 Highlights and Accomplishments

### Children's Mental Health Assessment Program

The Juvenile Center (JC) Mental Health Program provides mental health services to residents at Anoka County Secure (ACS), Anoka County Non-Secure (NSP), and East Central Regional Juvenile Center (RJC) programs as well as mental health related training and consulting for staff and community-based referring agents.

Mental Health Early Intervention Screening is completed for all Anoka County youth entering all programs at the Anoka County Juvenile Center. Psychological Evaluations are completed for youth participating in the 28 Day Assessment Program at NSP and for youth in Anoka County who are uninsured/underinsured when referred by their probation officer or social worker. Mental Health Diagnostic Assessments provide social workers and probation officers written documentation of provisional mental health diagnoses and related recommendations. Funding for these services is provided in part by the MN Department of Human Services Child Welfare/Juvenile Justice Screening Grant.

2019 is the fourth year that no referrals were made for a psychological evaluation for a youth that is uninsured/underinsured. This is a continued result of an increase in insured youth in the county as well as referring agents' ability to refer for psychological evaluations through their contracted service providers.

Training provided to Juvenile Center staff focused on increasing trauma informed practices and gaining knowledge about the impact of Adverse Childhood Experiences (ACEs) on JC residents.

Coping Skills Groups continued to be provided to youth in ACS and NSP programs and expanded into RJC in 2019. During the summer months, Coping Skills Group focused on improving resident exposure to and practice of mindfulness activities.

The JC has continued its partnership with Pines School to promote family engagement and parent education night events through the 2019-2020 school year.

## Pines School – 2019 Update

Anoka County Community Corrections operated the Pines School from 1997 through June 30, 2012. On February 28, 2012 the Anoka County Board of Commissioners approved the withdrawal from the longstanding joint powers agreement with Centennial School District #12 to operate the juvenile center school. This essentially meant Centennial School District began governance of all educational programs at the Anoka County Juvenile Center on July 1, 2012.

On July 1, 2014, Centennial School District #12 expanded the educational services offered at the Pines School to include educational assessment services called Apollo. This expansion included additional classrooms, educational staff offices and storage space. Pines School bussed students to the day program and Apollo increased from 24 to 48 students.

Pines School leadership team has changed three times since 2012 which were largely related to the retirement of long term Director of Alternative Programs and Special Education Director. The current Director is in his fourth year of overseeing Pines School and CALC educational programs.

**Pines School Average Daily Registered Student Population**

## East Central Regional Juvenile Center

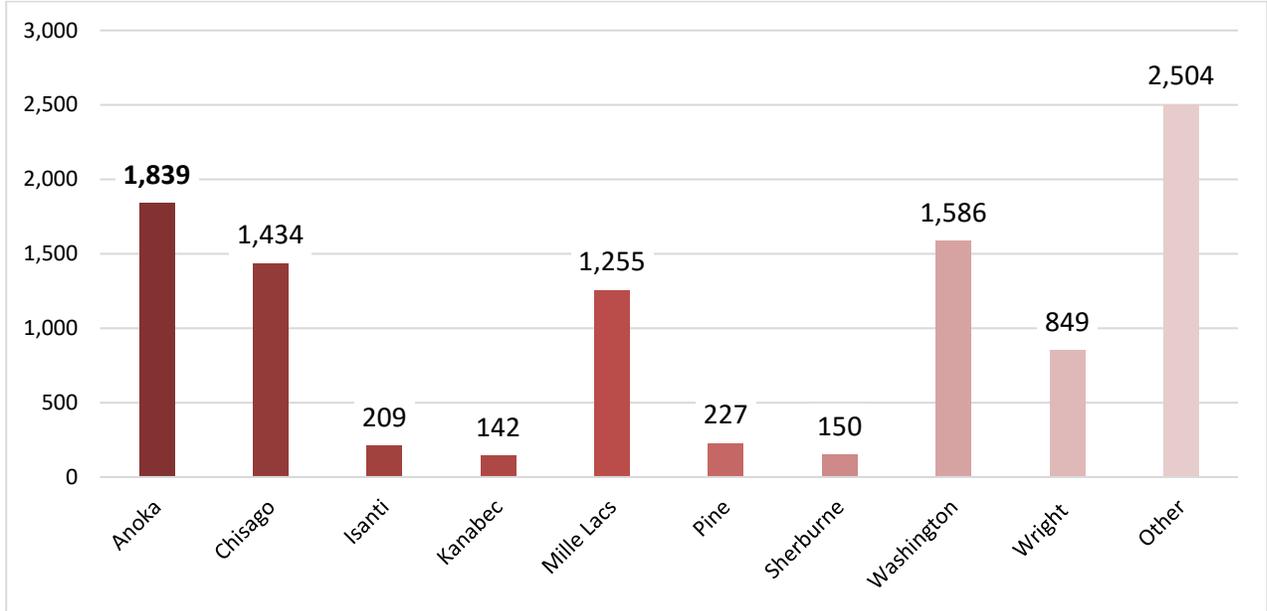

### 2019 Highlights and Accomplishments

- Completed a staffing plan to synchronize the JC staff from three grade levels to two grade levels. This was accomplished through attrition and restructuring the Juvenile Detention Officers to Probation Officer Aides. This provides significant resource distribution based on population needs and staff function. Further this model allows for campus-wide staff sharing as needs dictate.
- Several new Probation Officer Aides hired in the facility.
- Completed an onsite DOC license inspection with new inspector. The new inspector has since resigned to return to residential services and a replacement DOC inspector has recently been hired.
- Additional Probation Officers were trained in facilitating Decision Points COG programming as well as onsite live Crisis Intervention training. Decision Points is facilitated in all three groups on a rotating basis.
- Ongoing work and focus in reducing use/application/and frequency of resident disciplinary room time annually.
- Restructured all components of the Weekend Program.

## Alternatives to Incarceration Grant

Anoka County was awarded the Alternatives to Incarceration grant in October 2017 and continues to be funded. The funding provides a new probation officer position to case plan adult offenders who have been violated and would normally be considered for prison or for a return to prison.

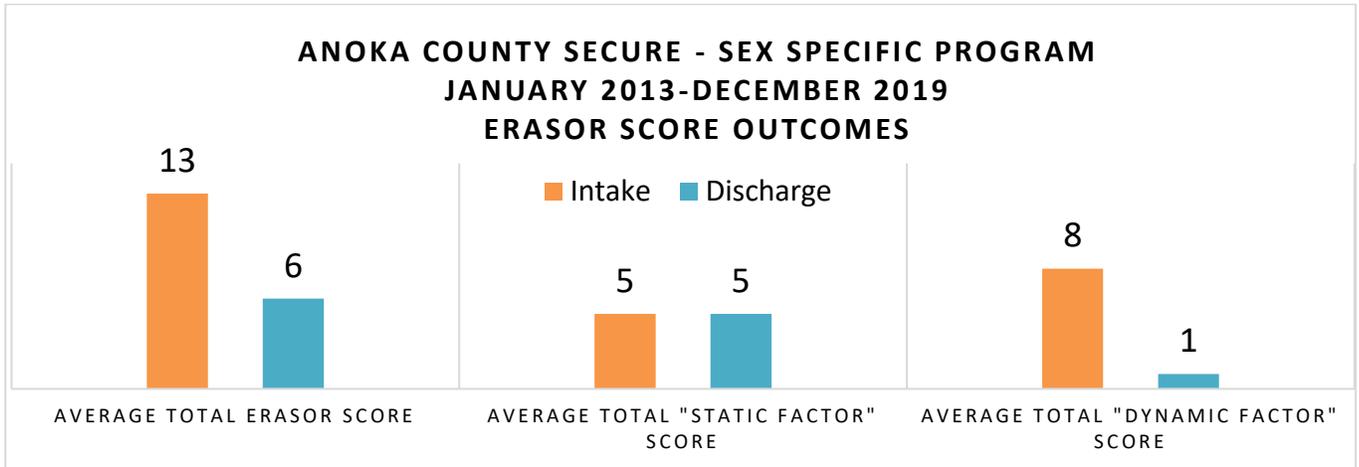

<b>36 Total Participants</b> 14 Supervised Release; 22 Probation
4 participants were returned/sentenced to prison for further violations (4 Supervised Release, 0 Probation)
<b>89% Success Rate</b>

## Felony Revocation Calendar

2017 data not available. 2018 changed method of data collection.

### Anoka County Recidivism Rates

The Estimate of Risk of Adolescent Sexual Offense Recidivism (ERASOR) assessment is one of most widely-used risk assessment tools for adolescents ages 12 to 18 who have offended sexually. The ERASOR tool includes a comprehensive list of 25 risk factors that structures a professional predictable judgment of risk. The ERASOR can also be a valuable guide for intervention and supervision efforts. The ERASOR is designed to assist evaluators to estimate the risk of a sexual re-offense for individuals aged 12-18 who have previously committed a sexual assault. The ERASOR risk factors are not exhaustive as there are unique risk factors specific to an individual being assessed.

### High Risk Juvenile Probation Recidivism Rates

Year	N=	Recidivism Term / Rate (misdemeanor, gross misdemeanor, or felony adjudications/convictions - MN only)	
2015	61	48-60 months / 61% (17 felonies)	24 out of 61 No New Adjudications/Convictions
2016	67	36-48 months / 51% (14 felonies)	33 out of 67 No New Adjudications/Convictions
2017	81	24-36 months / 52% (14 felonies)	39 out of 81 No New Adjudications/Convictions
2018	79	12-24 months / 40% (13 felonies)	48 out of 81 No New Adjudications/Convictions
2019	75	<12 months / 8% (0 felonies)	73 out of 75 No New Adjudications/Convictions

- Each year reflects the year that the youth studied completed supervision. The youth were selected on a random basis.
- The study will end up being a rolling 5-year recidivism review.
- Most of the recidivism was minor in nature and not person offense types.

#### 2009 through 2019 Recidivism Rate

191 Youth Successfully Completed the Long-Term Program

# 2019 Outcomes

## East Central Regional Juvenile Center (RJC)

Referring Agent, Parent, and Youth Surveys completed in 2019.	
<b>Surveys completed</b>	<b>Referring Agents Response</b>
<b>3</b>	All agents surveyed strongly agree that their client's basic needs were being met. 100% of the agents surveyed agree that their clients are in a safe environment where staff are both helpful and informative.
<b>Surveys completed</b>	<b>Parents Response</b>
<b>87</b>	87 parent surveys were completed with 40% of the results received from parents' of 30/15 program youth. During their child's stay, 75% of the parents surveyed believe their child's educational needs were met. 80% of the parents felt their child's behavior improved while in the program, and 96% of the parents felt their child was placed in a safe environment.
<b>Surveys completed</b>	<b>Resident Response</b>
<b>106</b>	89% of the youth surveyed were 15 years and older with 85% being male. 99% of the youth felt they received proper orientation into the program, along with 96% stating their basic needs of food, clothing, hygiene, and recreation were met. 95% of the youth felt their primary counselor met with them to address goals and 94% felt that living at RJC had a positive effect on their ability to succeed.

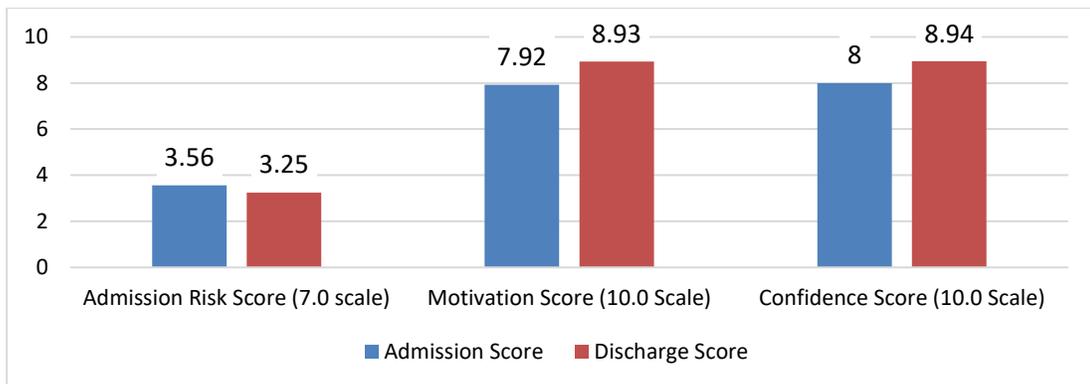

### East Central Regional Juvenile Center(RJC) 2019 Short-Term Treatment Risk/Change Elements

**Criminogenic Risk Scale:**

- 7.0 Scale of Criminogenic Risks – 7.0 = HIGH
  - Resident admission average score = 3.56
  - Resident discharge average score = 3.25
- Residents’ criminogenic risks are reduced during RJC programming

**Motivation to Change Scale:**

- Motivation “to change” score is scaled at 10.0 = HIGH and 1.0 LOW
  - Average resident admission motivation to change score = 7.92
  - Average resident discharge motivation to change score = 8.93
- Confidence Score – 10.0 = high belief in making the change and 1 = low belief in making the change
  - Average resident admission confidence in change score = 8.0
  - Average resident discharge confidence in change score = 8.94

ECRJC court-ordered short-term group program residents complete a personal assessment inventory of the seven universally accepted criminogenic risk factors and rank their motivation and confidence to change based on the “cycle of behavior change” recognized in the motivational interviewing change wheel.

ECRJC developed the Pre-Program Assessment inventory (completed within the first week) and Post-Program Assessment inventory (completed the last week). Residents initially meet with their primary counselor to review criminogenic needs to develop a case plan. Then residents follow up with the Program Coordinator to ensure the accurate criminogenic needs are being targeted based on file review and collateral resources. All submitted criminogenic factors, motivation to change, and confidence to change data is recorded resulting in these outcomes.
