

ANOKA COUNTY NON-SECURE PROGRAM (NSP)

28 Day Diagnostic Assessment Program

Youth ordered to complete the Diagnostic Assessment Program at the Anoka County Non-Secure Program participate in educational, recreational, as well as behavioral groups where youth take responsibility for their choices and the resulting behaviors. As a part of a peer group, youth will attend school daily, complete all daily facility job responsibilities as well as living skills.

Phone Policy

No incoming calls will be accepted for youth and no messages will be taken. Once earned, youth are able to call home during scheduled times.

About Us

Serving both males and females 10 to 18 years of age, the Anoka County Non-Secure Program (NSP) offers short and long term programming with three separate groups. The short term group consists of all female youth awaiting their next court appearance or completing court ordered short term programs. The long term group consists of all female youth court ordered to complete a long term program. The all male group consists of youth awaiting next court appearances, waiting for next placements, or completing court ordered short and long term programs.
