Warning: Section 1001 of Title 18 of US. Code makes it a criminal offense to make false statements or misrepresentations to any Department or Agency of the U.S. as to matters within its jurisdiction.

All information you provide about you and your family household is considered private data as defined by the Minnesota Government Data Practices Act. We will use your private data only as it is required for the administration and management of this program.

**HUD Definitions**

**Female Head of Household:** a married or unmarried female who maintains a household for a dependent, or non-dependent relative, and provides more than half of the dependent's financial support.

**Senior:** a person 62 years or older.

**Severely Disabled:** If you

- 1) use a wheel chair or another special aid for 6 months or longer; or,
- 2) are unable to perform one or more functional activities (seeing, hearing, having one's speech understood, lifting and carrying, walking up a flight of stairs, and walking), or need assistance with activities of daily living (getting around inside the home, getting in or out of bed or a chair, bathing, dressing, eating or toileting) or instrumental activities of daily living (going outside the home, keeping track of money or bills, preparing meals, doing light housework and using the telephone); or
- 3) are prevented from working at a job or doing housework; or,
- 4) have a selected condition including autism, cerebral palsy, Alzheimer's disease, senility, dementia or mental retardation; or,
- 5) are under 65 years of age and are covered by Medicare or receive Supplemental Security Income (SSI).

**Youth:** a person 17 years or younger.

**For Agency use only:**  
(Participant does not complete)

**Income determination for households of more than 8 members:**

Per HUD, family sizes in excess of 8 persons are calculated by adding eight percent (8%) of the four-person income limits for each additional family member. So:

- 9-person household should be 140% of the 4-person limit;
- 10-person household should be 148% of the 4-person limit;
- 11-person household should be 156% of the 4-person limit;
- 12-person household should be 164% of the 4-person limit; and so on.
