

ELECTRICAL SAFETY

*All items shown on these pages are for example only. Their appearance here does not constitute an endorsement by Anoka County or an of its representatives.

The following are examples of safety solutions or similar devices that are locally available in stores like Menards, WalMart, Target or Home Depot. You can also order these items through the internet. Key words “Safety 1st”, “safe beginnings”, “safe and sound”, “safety protection for children” ...just to get you started.

Outlet Covers – Safety Plates

Snaps shut automatically. Sliding Safety Plate prevents access to outlets. Just insert a plug and slide to the right. As soon as plug is removed, the cover snaps shut to protect little fingers from the outlet.

Outlet shield fits easily over the existing outlet.

Expands to fit power strips and can be mounted on the wall.
