Provider Response

Please submit, in writing, notice of how these violations have been corrected and the date the corrections were made. Your signature certifies that all the corrections listed above have been made. Return it to your licensors by 01/30/2019

Right to Request Reconsideration

If you believe the contents of this correction order to be in error, you may ask the Commissioner of the Department of Human Services to reconsider the parts of the correction order that you believe to be in error. The request for reconsideration must be in writing and postmarked and sent to the Commissioner within 20 calendar days after receipt of this correction order. You must also include the following information (1) identify the part of the correction order that you believe is wrong (2) explain why it is wrong (3) include documentation that supports your statements.

You must make the corrections required in the correction order until you receive a final decision on your request from DHS. Your request for reconsideration must be sent to:

MN Department of Human Services
DIG Legal-Licensing
PO Box 64242
Saint Paul, MN 55164-0242

Opportunity to Expedite the Request for Reconsideration

If you are challenging a violation that would require you to spend a substantial amount of money or would require a significant change to your program, you may ask the Department to expedite your request for reconsideration. When you ask the Department to expedite your request for reconsideration you must (1) identify which violation(s) would require you to spend a substantial amount of money or would require a significant change to your program (2) describe how complying with the violation would require you to spend a substantial amount of money or would require a significant change to your program (3) describe what actions you will take to ensure the health and safety of children in your care while you wait for the commissioner's review of the correction order. You must use the Expedited Request for Reconsideration form to submit your request.
